#### General Description

- Square bathroom toilet brush set made of AISI 304 stainless steel, from Mediclinics' Harmonia series, ideal for your own bathroom, as well as public-use bathrooms such as in hotels or restaurants.
- High-quality bathroom accessory, with a touch of sophistication. The materials with which this toilet brush set is made guarantee great functionality and durability.
- Both hygienic and elegant, this toilet brush can be easily removed from its holder without any splashes. This is one of the essential bathroom accessories for keeping the bathroom hygienic and tidy.
- Designed to suit any space and necessity, this toilet brush set is ideal for installing in your own home, as well as public-use bathrooms, such as in hotels, bars, restaurants, offices, etc.
- The handle of the toilet brush is 26.5 cm in length which allows you to easily reach and clean the toilet bowl.
- It has a square-shaped lid with an airtight seal that prevents the spread of bad odours and protects hands from getting dirty or splashed while cleaning the toilet.
- The brush bristles are long, soft and dense, making them very effective in the removal of all kinds of stains and protecting the toilet from scratches.
- Comes with stainless steel hardware to install on brick walls.
