

RECESSED

Push-button

DJFE0025C
Bright finish

General description

- Stainless steel AISI 304 manual recessed foam soap dispenser with bright finish.
- Model suitable for collectivities and for installation in areas with high traffic of people.
- The dispenser is refilled by opening the top part, which is secured with a screw.
- Suitable for use with foam soap only.
- It is recommended to use foam soap with the following characteristics:
 - Maximum alcohol content of 80%
 - Density between 0.95 and 1.05 kg/dm³
 - Viscosity between 1 and 100 cps.
- **It does not support products that contain methanol, chlorine or solid or abrasive particles.**

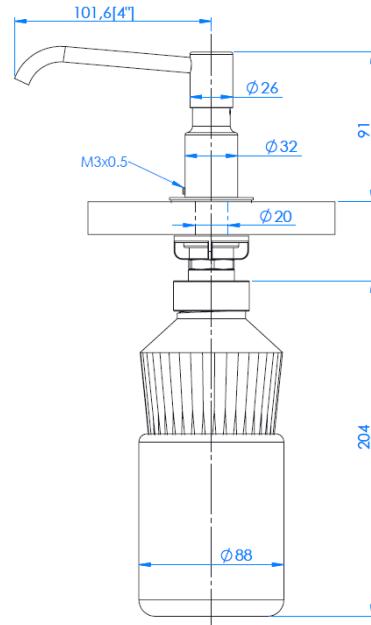

Components and materials

- **SPOUT:** Made of AISI 304 stainless steel, 102 mm in length, bright finish.
- **NOZZLE:** Made of ABS, 90 mm in length.
- **COVER:** Made of AISI 304 stainless steel, highly impact-resistant, bright finish.
- **VALVE:** Features an ABS cylinder and stainless-steel spring. Disassembles for top refilling.
- **PUSH BUTTON:** Fixed, made of AISI 304 stainless steel, bright finish.
- **TANK:** Made of shatter-resistant translucent white polyethylene, built-in for countertop installation, refillable from the top.
- **STEM RETAINER COLLAR:** Threaded, made of high-impact resistant ABS thermoplastic, grey color.

Technical Specifications

Weight (empty)	0,310 Kg
